PRINCIPAL'S MESSAGE

Parents and Carers,

Welcome to the last term of the year! Term 4 is going to be such an exciting and busy term, I can't wait.

We finished off term 3 in a very happy way. The PBL Fun Day was combined with 'Dress as a Farmer' day. I saw so many great farmer outfits. I really liked dressing up too. Thank you for supporting the day with not only dressing your children but also sending along a donation. We raised \$340 which is a huge effort. The money has gone to 'Donate a Bale' which will help farmers

feed the animals with a bale/s of hay.

The weather was perfect for PBL Fun Day. The water play was a very popular activity on the day as was face painting, robotics, dancing, building and construction and movies. The best part was when Louie made an appearance in the COLA! It's always such fun when he drops in for a visit and a quick dance.

Great looking moustaches, guys! I also loved all the hats, overalls, boots and check shirts.

Successful Gardening & Veggie Sales

Look at this amazing amount of vegetables we found after the holidays! Rain is the best thing to help gardens grow and thrive.

After a few weeks of rain, the vegetable garden was full of healthy things that needed to be picked and eaten.

Thank you to the 'farmers' who helped Mrs Thompson and the students in 2L- including Ms Mokachar, Ms Gaunder and Miss Sinemoglou and Mr Angelo.

I think we had record sales that day of \$96. We will be buying more seedlings to put back in the garden now. Thank you!
