PRINCIPAL'S MESSAGE

Parents and Carers,

What a whirlwind the last 2 weeks have been. I have been out to the NSW State Primary Principals Conference and to a training day so by the time I got back to school it was time for Kinder 2019 Transition again. As you can see by the array of photos in this newsletter, our students have been involved in many experiences and have had the opportunity to express themselves, learn, have fun and shine!

This year MLIS joined with the Bankstown and East Hills District Dance Festival and was one of the schools that performed on Monday night. I can tell you the atmosphere was magic behind the stage and on the stage. Along with Bankstown South Infants we were the only other Infants school performing. Our students were a credit to the school community. They had great moves, knew their routine, smiled and finished the performance beautiful. I'd like to take the opportunity to thank Miss Gaida and Mrs Al Seblani who took such

care to train the group and ensure they looked polished and professional. The dedication of my staff is evident

everyday but especially on days like this. Thank you to the families who stuck to their commitment and brought the children to the evening performance on time and dressed and ready.

Kindergarten Transition for our 2019 students is done for another year. A huge thank you to Miss Ferguson for being so organised and working closely with Mrs Conte, Mrs Markland and me to pull together all the 'behind the scenes' work that goes into such a big event. The staff as always contributed in positive ways as did our Yr2 students and of course the P&C team who were on hand to provide friendly advice and refreshments.

Crazy Hair Day was a lot of fun. I saw many, many clever hair creations. Thank you P&C for this fundraiser. It's always nice to have an event that makes people think about being creative!

Year1 students had an opportunity to work with clay and create sea creatures. I saw them concentrating so hard to work with the clay and make the shape and then to add the colour. The wet clay was taken away by the 'Raw Art' company and fired in a kiln and the finished, shiny turtles were returned to us. Again, a great learning experience.

PBL NEWS & THIS WEEK'S SCHOOL VALUE

Positive Behaviour for Learning (PBL) is our school program that aims to help in creating safe, effective teaching and learning environments. For more

information on PBL go to <http://www.pbl.schools.nsw.edu.au/about-pbl/>

This week's school value is:

HONESTY

At MLIS we show honesty by:

- telling the truth
- taking responsibility for our actions
- playing fair

In every Newsletter, the table below will have the names of the children receiving PBL awards. If you see your child's name in the table, you will know that they will be presented with that award at the following Monday's assembly. We take a photo of the group and it will be published in the Newsletter the following week. Parents/Carers are welcome to the assembly.

The following awards will be given out on **Monday 12 November** at the Morning Assembly.

CLASS NEWS ~KP~

Every fortnight there will be a feature class in this section. The photos and the information will match the foyer display.

K Purple have been learning about the seasons and what it means for us when the weather is rainy, sunny, windy etc.

I love the 3D umbrellas that KP have made to stop the raindrops from falling on them!

Thank you KP for this very nice art work. It's a good reminder today that we all need a raincoat or umbrella when it rains.
