## PRINCIPAL'S MESSAGE

Parents and Carers,

I want to start off by congratulating Saleh from ES1 who

represented our school at the Ultimo Public Speaking Grand Final. He spoke very well and received this special certificate to commend him on his achievement. As you all know we value the skills involved in Public Speaking and endeavour to instil these in our students by embedding them in our teaching everyday. A person who speaks

clearly and confidently is on the road to future success.

Our students are involved in many experiences that enrich their language, cooperation skills, problem solving skills, their gross motor skills and their learning in general. In the Newsletter I add photos that showcase these experiences as much as possible to the community so we can communicate how exciting and broad our learning is at MLIS.

## GARDEN NEWS.

We've been hard at work in the garden. Over the last few weeks we have been harvesting spinach, silver beet, basil, lettuce, snow peas and strawberries. We are expecting blueberries and carrots soon. This month we made \$120 from the sales of fresh vegetables to our incredibly supportive community.

All money raised will go back into the garden. Of course, not everything gets sold. This month we've been delivering buckets loads of snow peas to classrooms and indulging on strawberries! Yum!

## SWIMMING NEWS FROM YEAR 2.

I want to take this opportunity to thank the Year 2 families for supporting the 'Swimming Scheme' program. The quality of the teaching is excellent and the students are learning and progressing every day. Take a look at the photos that show the variety of instruction that occurs during the lessons. To know that your children are 'water wise' is comforting. It's also great exercise for children and it helps with a range of other things too. Keep swimming kids!

Also thanks to Mrs McIntosh, Miss Muscat, Mrs Thompson & Mr Daniello for taking care of the students.

## PBL NEWS & THIS WEEK'S SCHOOL VALUE

Positive Behaviour for Learning (PBL) is our school program that aims to help in creating safe, effective teaching and learning environments. For more

information on PBL go to <http://www.pbl.schools.nsw.edu.au/about-pbl>

**This week's school value is:**

TOLERANCE

If you see your child's name in the table, you will know that they will be presented with that award at the following Monday's assembly. ## CLASS NEWS ~1R~

Every fortnight there will be a feature class in this section. The photos and the information will match the foyer display.

Well done to 1R for their beautiful art works that are displayed this fortnight. The theme has been weather for the term and how it affects us. Come and see their posters and their windy, rainy art. I especially love all the different umbrellas. Thank you.
