## PRINCIPAL'S MESSAGE

Dear Parents/Carers,

Education week, 2020, was a time to reflect and celebrate not only 'Learning Together' but also on how important supportive and active relationships are to the wellbeing of the community. This year we have learned that having connections to family, friends and indeed work/schools has meant the difference isolation and staying connected. Technology gave us the means to connect with our students and families every day of the week. Learning could continue, communication was encouraged and flourished and it gave us a way of ensuring all was well with our community. Despite all this, the energy and enthusiasm that was evident on returning to school for face to face learning, was unexpected. The students were so excited to be back, and

they are still so happy to be able to be close to their peers and teachers. The school provides a very stable and secure environment with structured teaching sessions as well as opportunities for investigating and exploring. Our stimulating classrooms offer quality and relevant resources that engage students in learning and consolidating concepts. The partnership between home and school is truly valued at MLIS and is one of the many reasons

we have such a positive and respectful school culture. I hope you enjoyed our efforts to include you in our 'virtual' Open Day. I hope the photos and the posts through Seesaw showed the activities that took place. Continue to support us by looking at the notes and communication we send. This is our best way of keeping in touch. (Mrs Rieger, Principal).

This term *Public Speaking* is a key program for Speaking and Listening. Last week the school sent home a note explaining how families can assist students to prepare their speech for the class competition. Please talk to your children about an area of interest and motivate them to prepare a speech. Every year we have an amazing range of topics presented and excellent speakers! Looking forward to hearing from the speakers.

The SRC had a very successful 'Pyjama Day'. They raised just over \$280! Thank you for supporting the day. The kids looked so cosy and warm in their dressing gowns and PJs.

*Tomorrow* is Superhero Day at Mount Lewis Infants! The P&C have organised this as a fundraiser.

Please support the P&C by sending a gold coin. Looking forward to seeing all the different superheroes in the playground.

Some more photos of our fabulous Open Day, celebrating Public Education.

Water bottles are now **essential** as the bubblers are not in use.

Please **label** all items as children do leave things behind after play times.

**For Students in Yr2-** Yr2 were notified about procedures for enrolling at or enquiring about enrolling in a school for Yr3 in 2021.

It is NOW time to ask for support if you need it. Then let us know where your child is going in Yr3.

### For Children Starting school in 2021 -

If you have a child that is turning 5 years old before 31/7/21, they are eligible for enrolment in Kindergarten for 2021. Please come to the office for an enrolment form. Even if you have a child at Mount Lewis already, you need to fill in a form. **We are enrolling NOW.** Can't wait to see you.

### P&C NEWS

This Friday a few P&C members will be running the mini canteen. Go through the menu with your children and select 1 or 2 items they may want to buy for recess. **ONLY SEND** the coins they need to buy their food. For example, \$1 or \$2 in a snaplock bag or small purse/wallet with your child's name. **No change** should have to be given.

### Mini Canteen Menu for Friday 14/8/20:

Chocolate Milk \$2   Rice Snacks \$1   Jelly \$1   Yoghurt Covered Sultanas \$1

\*Krispy Kreme orders must be in by next Tuesday. Due to COVID-19 restrictions, there will be **NO** extra boxes for sale on the day of delivery. You must order by Tue 18/8/20\*

Louie came to visit us for Open Day. Everyone was so excited to see him.

Louie is very proud of all the PBL learners! He especially likes safe, respectful, learners!
