Wed 23/9	PBL Fun Day	

PRINCIPAL'S MESSAGE

Dear Parents/Carers,

The last few weeks have been so busy. Lots of new experiences happening in the classrooms and students working hard at practising skills to improve. I've had lots of talks with students and teachers and seen the joy experienced by all while working through various Science experiments. Every year we celebrate Science Week with a range of experiments. This year was super fun. Ask your children about their favourite experiment. I was also so impressed by the hard work done with writing as well as

reading and of course the Public Speaking skills. I'm so proud of students who try their best and want to improve. Part of being successful is taking on feedback and changing things next time. We all learn and get better at things, no matter our age. I hope you acknowledge your children's efforts, it will be a major motivator for them to keep trying. The next 2 weeks will see term 3 coming to an end but not before lots of learning and activities that are already planned.

(Mrs Rieger, Principal).

Public Speaking Speeches:

Please help your child prepare a speech for the competition. **Week 8** will be the last opportunity for each child to present their speech to the class. All students who give a speech will be given feedback and an opportunity to represent their class/stage at the school competition. The parents/carers who have read the information sheet we sent home have hopefully gained a lot of insight on how best to help their child.

Water bottles are now **essential** as the bubblers are not in use. Children find it difficult to have a good drink if they don't have a bottle.

Please **label** all items as children do leave things behind after play times.

School Photos Reminder: **TOMORROW**

If you want to buy the school photos send back the envelope with the correct money in it or pay online. **Please dress your children in WINTER UNIFORM for the photos.**

RETURNING TO MOUNT LEWIS INFANTS IN 2021???

Please return the green form we sent out a few weeks ago. We really appreciate the forms we have already had returned and the honest answers we've had. We hope you consider leaving your younger child here even if your Yr2 child is going to a local school. We offer quality education and a wonderful array of experiences to children, specialising in Early Childhood

teaching and learning. Come and speak to me if you need to work out your options.

PBL NEWS & THIS WEEK'S SCHOOL VALUE

Positive Behaviour for Learning (PBL) is our school program that aims to help in creating safe, effective teaching and learning environments. For more

information on PBL go to <http://www.pbl.schools.nsw.edu.au/about-pbl>

This PBL week's school value is: *Consideration*

CONSIDERATION

At MLIS we show consideration through:

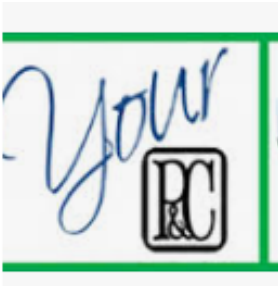

- kind actions
- nice words
- looking out for others

Congratulations to the students who received awards this week.

Yusra KG	Ayham 1/2A		Manahil 2S	
Zuhour KB			Samara 1W	
Musa KP				

Mini Canteen News:

This Friday class teachers will be running the mini canteen. In order to adhere to the COVID-19 guidelines, we won't be having P&C members in selling food items, instead each class will have a tub of items and the class teacher will sell them to the students.

Go through the menu with your children and select 1 or 2 items they may want to buy for recess. **ONLY SEND** the coins they need to buy their food. For example, \$1 or \$2 in a snaplock bag or small purse/wallet with your child's name. **No change** should have to be given.

Mini Canteen Menu for Friday 11/9/20:

Juice \$1 Mini Pretzels \$1 Mini Cookies \$1

Thank you for supporting the Stall organised by P&C! The products for sale were very nice and students really enjoyed making choices to buy gifts. Hope Father's Day was special in some way to everyone who looks after and cares for children.
