PRINCIPAL'S MESSAGE

Parents and Carers,

Last week was such a fun and exciting week for the students. Mrs Browne ran experiments and organised a science incursion for the school which was very hands on and also interesting. Can't wait till next year, that's what a lot of the students were saying. Thank you, Mrs Browne.

You have probably noticed we finally having a crossing guard on Noble Ave. Please welcome Mrs Bayad to our community. Today I attended the District Public Speaking Competition. I was lucky enough to see ES1, Sarah, speak and get Highly Commended. Congratulations, Sarah. Musa from S1 is speaking as I do this, so I hope he has a positive experience.

As you all know, it's been a huge term for the staff and students. So many events and lots of learning. Time to relax over the holidays and return for the last 10 weeks of 2023, fresh and ready. ES1 will be starting with Gymnastics, Yr2 will be heading to swimming scheme in week 3 and Kinder Transition for 2024 will begin. Thank you again for your support over the term. It's been very rewarding working with and getting to know some parents more closely.

I also want to mention the kindness a lot of families showed Mrs Thompson over the last few weeks. I know she was very touched by your words and gifts.

Please spend some quality 'quiet' time with your children over the break. It'll be their favourite part of the holidays. See you all on Monday, 9 October.

Mrs Rieger

YEAR 2 SWIMMING SCHEME FOR TERM 4 NOTICE:

The formal note for Yr2 swimming has now gone out. I am just including this notice to remind you that the cost of the swimming scheme is \$75 for the 5 days. Please know that we are giving you lots of notice and **DO NOT** need the payment made until next term. If you want to pay in instalments to make things more manageable, please come to the office and Mrs Conte and Mrs Markland will assist you. We are here to support you if we can.

KINDERGARTEN ZING ACTIV - Gymnastics for term 4 is going out today. Please keep the note safe and return it when you can with the \$25. Please note, it is cheaper than for S1 as we received a grant to keep the cost lower.

Positive Behaviour for Learning (PBL) is our school program that aims to help in creating safe, effective teaching and learning environments. For more information on PBL go to <http://www.pbl.schools.nsw.edu.au/about-pbl>

These awards will be handed out at morning assembly on Monday 09/10/23.

Parents/carers are invited to stay.

HONESTY

At MLIS we show honesty by:

- telling the truth
- taking responsibility for our actions
- playing fair

Please label all containers and bottles. Even better, remind your children to collect their belongings after play time. So many items get left behind and not recognized.
